REMARKS

During the past year we have maintained 32 weeks of school in all of the schools in town.

We have had a very efficient force of teachers and have been well satisfied with the results.

We would urge the parents to visit the schools often, and we would also urge them to see that the children attend school regularly, as this fact alone makes a great difference in the amount of money obtained from the state.

We would recommend the selectmen to assess \$400 for high school tuition, \$100 for officers salary, \$100 for text books and supplies, and \$25 for flags.

Our school treasurer's report has been changed by recommendation of the state. If any one wishes to see an itemized account, our books are open for inspection at any time.

EUGENE C. DOWNING,
META M. DOWNING,
CHARLES H. BROWN,
Members of School Board.
